

**FCM SMARTDRIVE**

## Buckle up and accelerate value in your car rental.

If your business has people on the move by car, you can now arrive at cost savings faster with SMARTDRIVE. SMARTDRIVE is an exclusive program that shifts the value of your car rental into a higher gear. This is a smarter car rental solution that adds 'mileage' to your rental with benefits including:

- Smart savings – specially negotiated discounts and complimentary services with our preferred car rental partners across North America, to reduce the overall cost of your rental.
- A smarter booking process – easier to understand and less time-consuming.
- A smarter way to travel – with enhanced comfort, convenience and services for your travelers.

---
